

## **Parents Teaching Parents About the State Rules of Special Education**

**Georgia Department of Education Special Education Services and Supports and the Parent Mentor Partnership partnered with Parent to Parent of Georgia to create information to help families understand the Special Education State Rules. You can access parent-friendly fact sheets on some important topics.**

**The GaDOE-P2P fact sheets that were produced by Parent Mentors and Parent to Parent staff have been translated to Arabic, Chinese, Korean, Spanish, and Vietnamese. They are on the DOE website at**
